SLAB

FIVE-PIECE

*"We design our cabinetry so you can design your space."*

**Fashion. Function. Flexibility.**

*No printing technology allows for absolute accurate reproduction of wood, stain or paint colors. Please see your dealer's displays & samples for actual colors.*

At Countryside Cabinets, we manufacture our own doors and therefore can provide the versatility of built-to-order cabinetry with fine craftsmanship quality. Each of our 35 door styles are available in five wood species. You can choose from four architectural options: Contemporary, Transitional, Arts and Crafts, and Traditional.

Countryside CABINETS

## STAINS

Countryside Cabinets utilizes state of the art flat line finishing systems and premium hand-wiped water based stains to enhance the beauty of the wood. Our water based stains are free from harmful contaminants, ensuring that we are taking care of our environment. They are first applied in a sealed booth immediately followed by individuals who hand-wipe the wood to perfection. Next, a clear seal coat is applied and hand sanded. The final application of clear top coat is oven-cured using the latest in ultraviolet technology. This consistency and durability ensures your cabinetry will look beautiful for years to come.

Countryside CABINETS

## Quality Driven. Designed Your Way.

# DESIGN YOUR **COLOR**

Select from a versatile color palette of stains and paints to meet the aesthetic of your home.

## PAINTS

Countryside Cabinets painted products consist of one coat of catalyzed primer and a top coat of pigmented conversion varnish to attain the desired hue.

## PROFILE GLAZE

**Brown Glaze**
*Ellison Maple Harvest*

**Black Glaze**
*Sawyer Maple Mist*

Countryside Cabinets offers a Profile Glaze which is hand applied using a high tech air brush system to accent your cabinet doors and various accessories.

Profile Glaze enhances the details of the profiles to create visual contrast and depth. This process does not alter the base color of the product.
