

PRODUCTION, WAREHOUSE AND TRANSPORTATION OPPORTUNITIES

*Badger Corrugating Company is a full-line distributor of lumber, interior and exterior millwork, cabinets, flooring, windows, garage doors, roofing and agricultural products. The values of Badger were founded in 1903 and are the same values that guide the company today. The ultimate goal of the company is to provide customers with the quality products they need with the highest level of personalized service. **We are employee owned!***

Badger Corrugating Company continues to grow and we are always looking for hard working, qualified individuals to join our team.

If you are a quality oriented, ambitious person with a willingness to learn new processes in a millwork environment, then Badger Corrugating Company may be the right place for you!

STAINER – Weekend Shift (Friday, Saturday & Sunday) (3 – 12 hour shifts) - work 36 hours; get paid for 40

SANDER – 1st shift

WAREHOUSE LOADING TEAM – 2nd shift

DRIVER – CLASS A CDL (City Route)

Candidates must have a high school diploma or equivalent and a solid work history. Manufacturing and construction (staining, spray painting, sanding, building) experience preferred for production positions. Warehouse and forklift experience preferred for loading team. Prefer Class A drivers with experience, but will train the right individual.
