

M-Loc™

Commercial Roof and Wall Panel

M-Loc™

Commercial Roof and Wall Panel

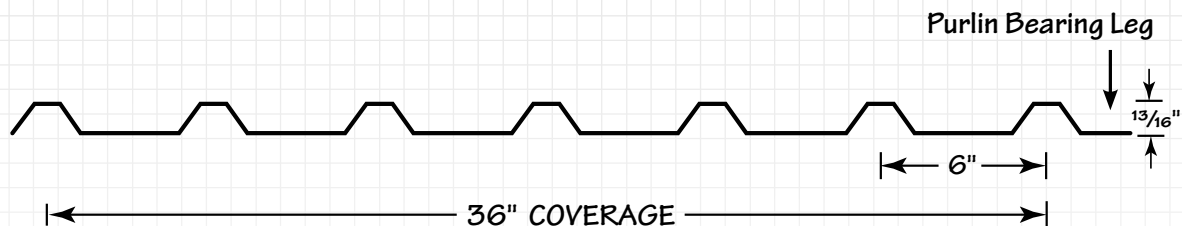

Are you in the market for an attractive, reliable and cost effective commercial metal building panel? The M-Loc™ panel is similar to our R-Loc™ panel in gauge, strength and resistance to the most severe weather conditions with a rib style more suitable to smaller trims and buildings. This classic commercial panel has long served customers with lasting durability in commercial type applications.

- M-Loc™ is a structural roof and wall panel that can be installed directly over purlins or joists.
- Available in 26 gauge painted or acrylic Galvalume®.
- Available in 19 ENERGY STAR rated colors.
- 36" panel coverage.
- Matching trims and accessories are available.
- This panel is produced in our Cedar Hill, TX and Mount Airy, NC facilities. Customers outside those service areas may experience longer lead times.
