

The Badger Prefinish Advantage

When you choose to have Badger Corrugating finish your interior door package, Badger Corrugating assumes all prefinish requirements set forth under the Badger door vendors warranty requirements.

If warranty issues occur due to prefinishing, Badger Corrugating has the option to rework or replace product.

What this warranty does NOT cover:

- Doors not used in interior application (interior application defined as being exposed to controlled interior climactic conditions on both sides of the door)
- Normal wear and tear
- Failure to perform normal homeowner's maintenance, including maintaining the finish
- Natural variations in the grain, color or texture of door
- Damage caused by improper handling or storage of product
- Doors improperly installed
