DESIGN PROCESS

Badger's experienced design team specializes in helping you selecting the right products and designing the kitchen or space of your dreams within your budget. Creative and innovative, as well as responsive and reliable, our team will work with you every step of the way, providing personalized service and attention to detail. Starting with initial concept meetings, viewing samples and discussing options, then a customized 20/20 layout design will provide realistic drawings to bring your vision to life as quality products and designs come together ready for installation.

Together with 48 years of design experience, your dedicated designer is always available to answer any questions and guide you through the process.

Made in America

Value focused and quality driven since 1975. Countryside Cabinets manufactures semi-custom built-to-order cabinetry with fine craftsmanship and quality. Design your perfect kitchen and choose from endless options: 36 wood door styles, 8 wood species, endless finishes, overlay and storage options. Warranted against defects of material or workmanship for 10 years.

Kitchen and bathroom cabinets from Diamond feature designer-inspired finishes, modern innovation and superior durability to help transform a bland room into a perfect room. Beauty. Function. Strength. Performance. You'll find these values built into every Diamond cabinetry product. Together they make up our Forever Quality Assurance.

Cultured marble tops from SFI provide an elegant look to any bathroom. SFI, Inc produces six lines of custom and modular vanity tops. Each of these product lines offer many different style and color options. These product lines also offer a choice of length and depth of tops, multiple and two-tone bowl, styles, placement and a custom edges.

Cambria offers the natural beauty you demand. More captivating than other quartz counters, more durable than granite, Cambria creates unique surfaces with the true elegance you demand of natural stone, and the hard-working performance your everyday life requires.

Working with the Badger Corrugating cabinet department never disappoints. The staff is very knowledgeable and can answer any question you may have, whether it's regarding the Countryside line or just about cabinetry design in general. They always respond promptly to phone calls and emails and they take care of you all the way up until your job is complete.

Building a new house you have to make a lot of decisions and deciding to go with Badger Corrugating was a good fit for us. We purchased beautiful hickory cabinets, quartz counter tops, several bathroom cabinets and some gorgeous solid wood doors. The selections Badger had to pick from seemed limitless, and the staff was so knowledgeable in helping us make the choices that were right for us.
