DESIGN WITH OVERLAY

Overlay

Countryside Cabinets offers three overlay options that determine how much of the cabinet frame is visible. Overlay is a small detail that plays a large role in the architectural style of a space.

FULL OVERLAY

Doors and drawer fronts fully overlay the cabinet frame revealing 1/4" to 1/2" between them.

MODIFIED OVERLAY

Similar to Full Overlay, Modified Overlay features a 1" frame reveal at the top of the upper cabinets for molding installation.

STANDARD OVERLAY

Doors and drawer fronts partially overlay the cabinet frame revealing 1/2" to 2" of frame between them.

Stains

Countryside Cabinets utilizes state of the art flat line finishing systems and premium, water-based stains. Our stains are free from harmful contaminants, ensuring that we are taking care of our environment. Stains are applied in a sealed booth and immediately hand-wiped to perfection. We finish our product with two coats of our clear finish that is oven-cured using the latest in ultraviolet technology. This process ensures your cabinetry will look beautiful for years to come.
