Architectural Style Guide:

- [A] Arts & Crafts
- [C] Contemporary
- [T] Traditional
- [X] Transitional

custom made simple.

At Countryside Cabinets, we provide the versatility of built-to-order cabinetry with fine craftsmanship quality. Select your door style from four architectural options: Contemporary, Transitional, Arts and Crafts, and Traditional. Each of our 35 doors are available in all four wood species. Additionally, our cope and stick doors can feature rustic characteristics in Hickory and Oak.

No printing technology allows for absolute accurate reproduction of wood, stain or paint colors. Please see your dealer's displays & samples for actual colors.

Paints

Select from a versatile color palette to meet the aesthetics of your home. At Countryside Cabinets, we use environmentally friendly, water-based paints to create a smooth and vibrant finish.

DESIGN WITH OVERLAY

Overlay

Countryside Cabinets offers three overlay options that determine how much of the cabinet frame is visible. Overlay is a small detail that plays a large role in the architectural style of a space.

FULL OVERLAY

Doors and drawer fronts fully overlay the cabinet frame. A small amount, ranging from 1/4" to a 1/2", of the frame is revealed.

MODIFIED OVERLAY

Similar to Full Overlay, Modified Overlay features a 1" frame reveal at the top of the upper cabinets for molding installation.

STANDARD OVERLAY

Doors and drawer fronts partially overlay the cabinet frame leaving 1/2" to 2" of frame visible between them.

DESIGN WITH COLOR

Stains

Countryside Cabinets utilizes state of the art flat line finishing systems and premium, water-based stains. Stains are applied in a sealed booth and hand-wiped to perfection. We finish our product with two coats of clear finish that is cured using the latest in ultraviolet technology. This process ensures your cabinetry will look beautiful for years to come.

Profile Glaze:

Bisque Brown Glaze Mist Black Glaze

Countryside offers a Profile Glaze to enhance the details of the profiles to create visual contrast and depth. The glaze is applied with an air brush system and does not alter the base color of the product.
